

To apply for a spot on one of the

2019 Girl Scout National All Girl Crews:

Write a 1-2 page letter telling us why you want to be part of the 2019 All Girl Crew through SCA and Girl Scouts of the USA. Include these things:

1. Your full name, phone number, address, parent or guardian name and current grade
2. Which experience you are interested in attending:
 - a. July 8 – 20 at Great Smoky Mountains National Park, Cherokee, North Carolina. 10 girls from councils across the country will be chosen. This is a primitive camping experience and girls will be tasked with a number of physical outdoor projects.
 - b. July 20-27 in New Hampshire in association with the Appalachian Mountain Club. 8 girls will have the opportunity to be in this crew. It is a little less primitive than the other.
3. Why you think you are a great candidate for this opportunity
4. How you could share what you've learned with others this fall

Send your letter by email to Betsy Connell bconnell@gshg.org with the subject line: 2019 All Girl Crew Application. We will review your letter and contact you with more information if you are chosen to be a participant! If you have any questions, feel free to reach out.
