

5 on Friday

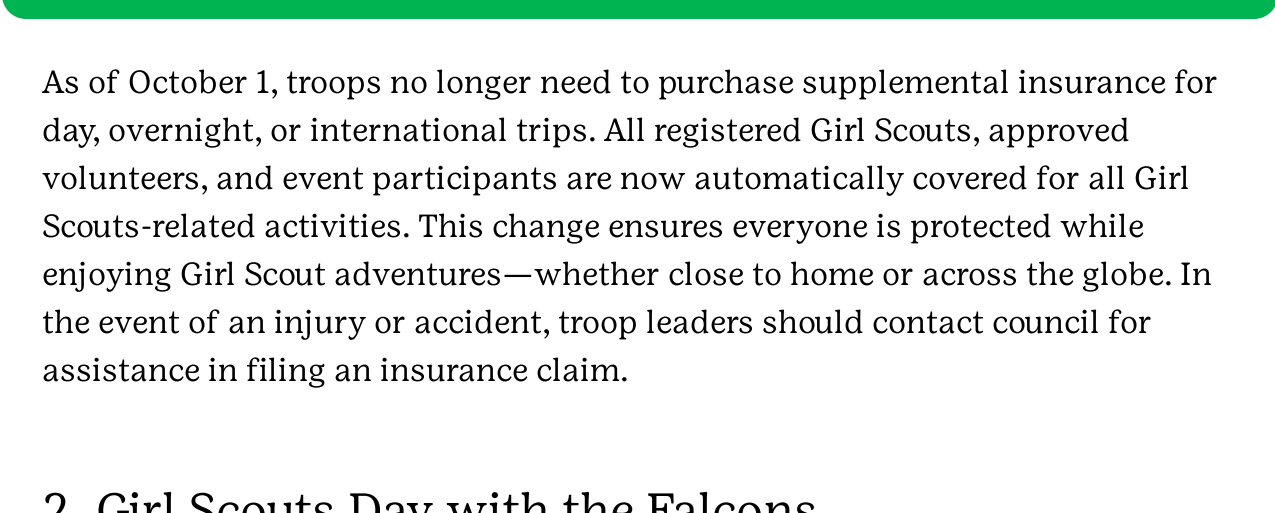

Camp Martha Johnston turned 100 this year, and Girl Scouts celebrated in true camp style on September 27. The day was filled with s'mores making, hands-on STEM activities, a Girl Scout uniform fashion show featuring looks from decades past, and more. Guests also took part in a special tree-planting ceremony to honor the camp's legacy and growth. It was a joyful celebration of 100 years of adventure, friendship, and memories at Camp Martha Johnston!

Submit your troop photos and short videos for a chance to be featured! Your submissions may appear in our 5 on Friday newsletter or on social media.

1. Supplemental Insurance Updates

As of October 1, troops no longer need to purchase supplemental insurance for day, overnight, or international trips. All registered Girl Scouts, approved volunteers, and event participants are now automatically covered for all Girl Scouts-related activities. This change ensures everyone is protected while enjoying Girl Scout adventures—whether close to home or across the globe. In the event of an injury or accident, troop leaders should contact council for assistance in filing an insurance claim.

2. Girl Scouts Day with the Falcons

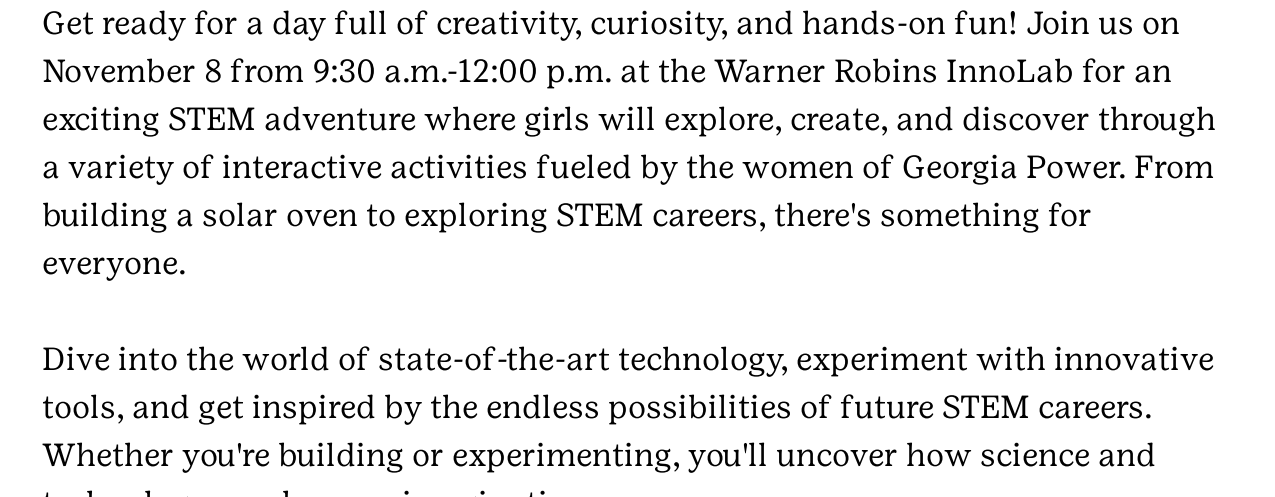

Good news! The Atlanta Falcons have extended the purchase deadline for Girl Scouts Day until November 7!

Gather your troop for an exciting Girl Scouts Day with the Falcons on November 16 at 1 p.m., where football meets community spirit. Each ticket purchased through this special link not only guarantees an amazing game-day experience and comes with an exclusive Girl Scouts patch! Cheer on the Falcons and connect with other Girl Scouts, and enjoy an unforgettable day at Mercedes-Benz stadium.

3. Girl Scouts Do STEM

Get ready for a day full of creativity, curiosity, and hands-on fun! Join us on November 8 from 9:30 a.m.-12:00 p.m. at the Warner Robins InnoLab for an exciting STEM adventure where girls will explore, create, and discover through a variety of interactive activities fueled by the women of Georgia Power. From building a solar oven to exploring STEM careers, there's something for everyone.

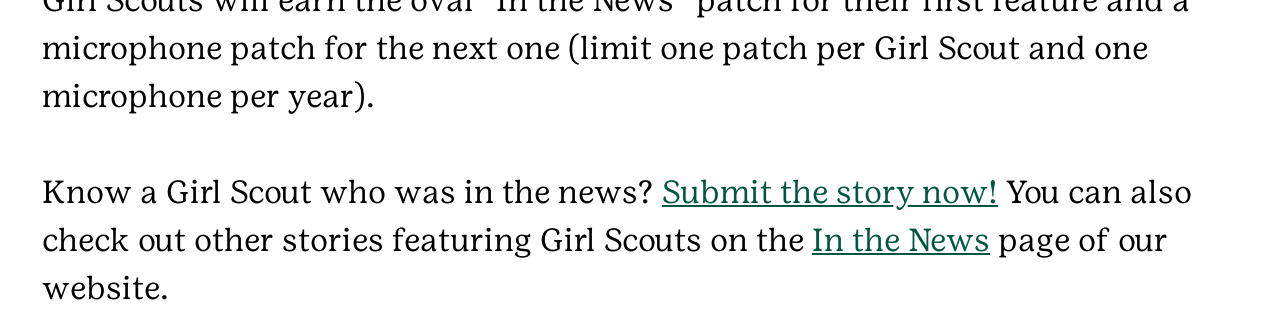

Dive into the world of state-of-the-art technology, experiment with innovative tools, and get inspired by the endless possibilities of future STEM careers. Whether you're building or experimenting, you'll uncover how science and technology sparks your imagination.

Registration is \$10 per girl, and lunch is included for all participants.

This event is open to all girls in grades 2-12 (not just current Girl Scouts), so grab a friend and join the fun!

4. Girl Scouts In the News

Girl Scouts are making headlines, and we want to hear about it! If your troop or a Girl Scout in your area has been featured on TV, radio, or in publication, let us know through our [digital "In the News" form](#)!

Girl Scouts will earn the oval "In the News" patch for their first feature and a microphone patch for the next one (limit one patch per Girl Scout and one microphone per year).

Know a Girl Scout who was in the news? [Submit the story now!](#) You can also check out other stories featuring Girl Scouts on the [In the News](#) page of our website.

JOIN THE CELEBRATION!

Within every girl lies the power to shape the future. Each year on International Day of the Girl, the global community comes together to amplify girls' voices and inspire them to take action to make the world a better place.

Celebrate the strength, courage, and potential of girls from all over the globe this October 11 by downloading the free activity guide. Once a Girl Scout engages with the guide's fun activities, they'll unlock the special 2025 patch to proudly display.
