Delivery Station Scheduling and Pick Up

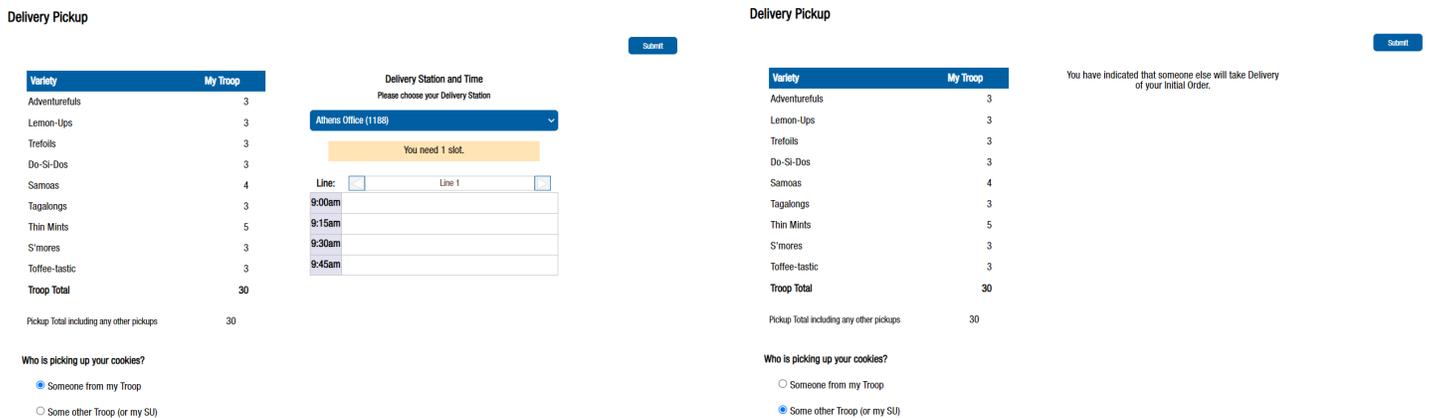

Used to...

- Set up your delivery pickup appointment
- Arrange to pick up other troops' cookies
- Plan for helper and vehicles
- Confirm your delivery pickup

In the eBudde mobile app under the Delivery section or the eBudde desktop version under the Delivery tab, you'll see the number of cookies you are picking up by tapping the down arrow.

Here you can select you delivery station, time and line/door. Based on the size of your order, eBudde decides the number of time slots you'll need. You can make changes by going back to the Delivery tab. This date and time will show up on your troops calendar and the details of your pick up will be mailed to you.

If you are picking up for a troop and yourself, you can indicate that here! Make sure to indicate which troop you are picking up for or you might get an added time slot.

Who is picking up your cookies?

- Someone from my Troop
- Some other Troop (or my SU)

Will you be picking up for more than one troop?

- Yes
- No

#

If another troop is picking up for you, make sure that eBudde knows that and click Submit. eBudde will double check and make sure that is confirmed with the other troop!
