*On my honor, I will try:*

To serve God\* and my country,  
To help people at all times,  
And to live by the Girl Scout Law.

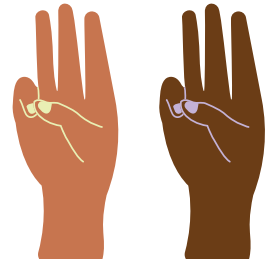

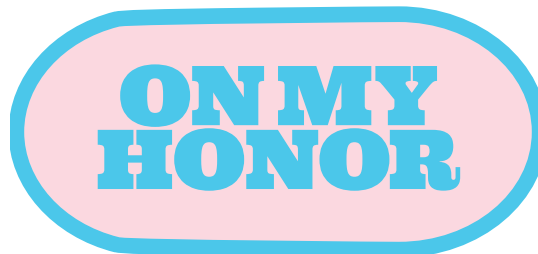

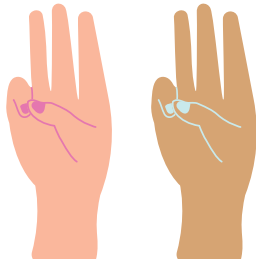

## Girl Scout Law

*I will do my best to be*

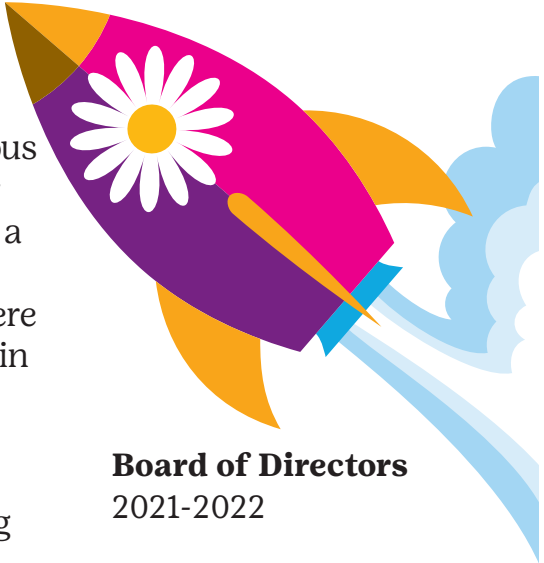

honest and fair,  
friendly and helpful,  
considerate and caring,  
courageous and strong,  
and responsible for what I say and do,

*and to*

respect myself and others,  
respect authority, use resources wisely,  
make the world a better place,  
and be a sister to every Girl Scout.

*\*Members may substitute for the word God in accordance with their own spiritual beliefs.*

Dear Friends of Girl Scouts of Historic Georgia,

The time has come again to reflect on our previous year, and we have so much to celebrate from our 2021-2022 council season! Not only did we open a new program center in Savannah to bring STEM activities to Girl Scouts in our community, we were also able to bring many of our experiences back in person.

It's undeniable that involvement in Girl Scouts is truly the experience of a lifetime. From learning the Girl Scout Law petal by petal, to their final bridging ceremony, Girl Scouts is fueling the female leadership pipeline with young women who have experience with world cultures, design and coding, money management, and so much more. The longer girls are engaged in Girl Scouts, the more likely they are to be successful and satisfied with their lives. This is even more pronounced if they earned highest awards, especially the Gold Award.

More than one in three women in the United States were Girl Scouts at some point in their lives. Research shows our movement prepares girls to be courageous, confident women who have the character needed to make the world a better place. We celebrate Girl Scouts - 110 years strong!

Yours for the girls,

# Where The Journey Begins

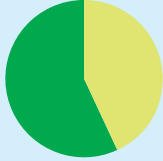

## Our 2021-2022 Membership

Each level of Girl Scouts is unique with a wide variety of activities to try. Girl Scouts can begin in kindergarten and join all the way through twelfth grade. As a Girl Scout progresses, every level builds upon the last and allows them to explore their interests in a way that is meaningful and age-appropriate.

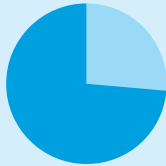

Our volunteers make Girl Scouting happen! Their time, talents, and energy make a difference in girls' lives. Girl Scouts of Historic Georgia thanks all of our volunteers for their continued commitment to girls everywhere and recognizes their outstanding contributions throughout the year.

Everything Girl Scouts do as a Daisy—from planting a garden to making new friends—sparkles with that “first time ever” newness. Along the way, they’ll use their energy and spirit to help others and take pride in making the world a better place.

# Preparing Provisions

With each cookie purchase, you're supporting Girl Scouts as they learn, grow, and thrive through all of life's adventures.

3,753

Girl Scouts sold

1,451,607

boxes of cookies

All proceeds stay local to help fund life-changing, girl-led programs, experiences, and learning all year long in your community.

Because you get your cookies directly from a Girl Scout (or troop), you'll enjoy them even more knowing you're helping local Girl Scouts gain the business experience and confidence to take on the world, one cookie at a time.

Brownies are excitement personified. They can't wait to explore the world, play new games, and share their interests—from bugs to ballet—with friends. Trying new things broadens their horizons and teaches them skills they can share with others.

Learning to lead has never been so fun!

The Girl Scout Cookie Program is the largest girl-led entrepreneurial program in the world.

Girl Scouts learn five skills that are essential to leadership, to success, and to life.

► **Goal Setting**

Girl Scouts learn how to set goals and create a plan to reach them.

► **Money Management**

They learn how to create a budget and handle money.

► **Decision Making**

Girls learn to make decisions on their own and as a team.

► **People Skills**

Girl Scouts find their voice and build confidence through customer interactions.

► **Business Ethics**

They learn to act ethically, both in business and in life.

## Operation: Cookies From Home

Imagine being deployed half way around the world as a member of our armed services. Now imagine the pleasure of receiving a taste of home in a box of Girl Scout Cookies. Each year, deployed service members all over the world will enjoy their favorite Girl Scout Cookies as a result of Operation Cookies from Home, a program of Girl Scouts of Historic Georgia. The public is invited to purchase boxes or cases of cookies to be shipped to service members as part of the community service component of the Girl Scout Cookie Program.

# Expeditions Engaged

Canoeing solo across a lake. Cantering on a horse. Counting stars in the night sky. These are just a few of the experiences awaiting Girl Scouts who are ready to explore the great outdoors during camp.

## BE WILD

249 wild campers 4 beautiful properties\*

*We do not hold summer resident camp at the Robert Lewis property.*

Our theme for camp this year was, “Wildly”. At camp, Girl Scouts find both tradition and new adventures, as well as a safe space where they can lean into their own, budding voice. Whether they find the courage to ride their first horse, ambition to sing out loud at the talent show, confidence to lead fire building to younger Girl Scouts, or all of the above - they’ll do it Wildly.

If there’s one thing Junior Girl Scouts have, it’s confidence. Whether they’re making posters for a canned food drive, designing a website for their cookie business, planning a troop hike, or just raising a hand in class, they’ve got something to say.

Girl Scouts are forces of nature.  
And they were meant for outdoor adventures.

## Camp Tanglewood - Augusta

Located in Columbia County on 184 acres of hilly woodland, Camp Tanglewood is a retreat into the wilderness in the heart of a city. From the low ropes course to the pool, lakes and creeks, Camp Tanglewood has something for everyone.

Girl Scout Cadettes have got this. From road trips and camping with best friends to organizing an eco-friendly fashion show, Cadettes are sure of their abilities and use their growing independence to realize their dreams.

We are excited to share that we officially opened our latest space, the GIRL Center in Savannah, for regular programming in March of 2022! This fun and interactive space hosts a variety of programming opportunities throughout the year with most of the programs having an emphasis on STEM education.

Girl Scouting has a history of offering STEM opportunities to girls dating to the earliest days of the organization. Programming will continue to reflect our STEM legacy, combining traditional Girl Scout activities with both period and contemporary scientific principles.

## Troop Camps

Troop camps are a great time for Girl Scouts across Georgia to come together and to try new things, make new friends, and build their courage, confidence, and character during weekend and overnight camps with their troops. Some of the themes this past year included Avengers Assemble, Mad Scientist, and Mount Olympus.

When girls go for the Bronze Award, they represent what Girl Scouts can achieve in their communities. Earning the Girl Scout Bronze Award involves time exploring the community, identify an issue, designing and implementing the plan, then spreading the word about the project.
