

Navigating the Website

The GSHG website, www.gshg.org, is your #1 source for information. The pages with the information most relevant to you are just **one click** from our homepage!

Use this guide to help you navigate!

The Homepage

The homepage of our website is divided into five main sections:

1. The Breaking News Banner is the banner across the top of the homepage. It will be different colors and lead to different pages of the website throughout the year - sometimes promoting an upcoming event, such as S'morevivor or Woman of Distinction, sometimes promoting recruiting efforts, and sometimes advertising important dates such as the beginning of cookie booths, office closures, or other need-to-know dates.

2. The Menu bar leads to all of the pages on the website. You will find more detail on the Menu bar on the next page.

3. The Quick Link cards will go the Girl Join page, the Volunteer Join page, and our donation page. These will not change locations, though we may change the colors or photos throughout the year.

4. The Program Guide banner will take you to our annual Program Guide! This link will be the same all year.

5. The Upcoming Events section will show a few of the upcoming events, as well as our event calendar. You can click through the months to see more events. To view all events, click the calendar icon in the top right corner of the website.

The screenshot shows the homepage of the Girl Scouts of Historic Georgia website. It features a purple header with navigation links like 'SHOP', 'DONATE', and 'MY GS'. A large blue banner at the top says 'Your Year of Exploration! Be a Girl Scout.' Below this are three quick-link cards: 'Become a Girl Scout' (yellow), 'Volunteer with Us' (blue), and 'Invest in Girls' (blue). A pink banner for the '2024-2025 Program and Resource Guide' is also visible. The 'UPCOMING EVENTS' section displays four event cards with details like dates and 'VIEW DETAILS' buttons. At the bottom, there is a calendar for June 2024 and three buttons: 'JOIN', 'VOLUNTEER', and 'DONATE'.

- FAQs
- Forms and Documents
- Events

11. The website navigation tabs are as follows:

You will learn more about the menu icons and navigation tabs on the next pages.

Navigating the Website Tips and Tricks!

Our most important pages are just **one click** from our homepage!

If you run your mouse over the Menu bar, you'll see that it will get a white, solid background. From here, you can **hover** over the navigation tabs to get to where you need to go! On mobile devices, you can click the ► to expand the navigation tabs without having to click through every section to get to the page you need!

The menu icons are as follows:

12. The myGS icon will take you to the login page for myGS. This is where you will manage your membership and household, access the Volunteer Toolkit, and more!

13. The Spanish icon will take you to the Spanish version of the GSUSA website, girlscouts.org

14. The search button will bring up the search bar - this will search our website for the keyword(s) you type. The results will include every webpage and document that includes the keyword(s).

15. The question mark will take you to our FAQ page, which houses the answers (or links to the answers) to our most frequently asked questions, such as how to transfer your membership to our council, where to find office hours, and how to stay up to date with GSHG communications and on social media!

16. The file folder icon will take you to our Forms and Documents page, which houses all of the files that have been uploaded to the website so that they can be found in one spot. This page also has a section that has all the links to online, external forms (such as WuFoo, JotForm, or Google survey forms) used by our departments.

17. The calendar icon takes you to our events listings on gsEvents. The events page will include all of the upcoming events for our council, including the events found in this Program Guide (at time of publication) and even more events that will be added to our plans as the 2025 Membership Year progresses!

Tips and Tricks!

The menu icons will stay at the top of the page as long as you are on the GSHG website.

The website navigation tabs are:

18. The Discover tab directs website visitors to learn more about Girl Scouts of the USA and Girl Scouts of Historic Georgia. It has four sections: About Us, Our Council, News, and Visiting Savannah.

19. The Get Involved tab directs future Girl Scouts, future volunteers, and alums to connect (and reconnect!) with Girl Scouts of Historic Georgia.

20. The Cookies tab houses important information for our product program department and our two product programs - the Girl Scout Cookie and the Fall Product Programs. There are resources for both programs for Girl Scouts and volunteers under this tab.

21. The Support Us tab is a dedicated space for our council fund development efforts, from giving campaigns to signature events. Each region has a section of the Support Us tab for their respective signature events where viewers can purchase tickets, view photos, and learn about our sponsors! The Support Us tab is also where website visitors can read about some of our council-level advocacy efforts.

22. The Members tab is divided into three sections: For Girl Scouts, For Volunteers, and Awards and Honors. This tab directs viewers to resources and information for registered members, as well as our awards and recognition efforts for our members!

23. The Camp tab directs website visitors to learn more about our camp properties - Camp Tanglewood, Camp Low, Camp Robert Lewis, and Camp Martha Johnston. From here, viewers can reserve camp for an event, join an Adopt-a-Camp Team, or register for summer camp!

You can learn more about each tab on the next pages!

Tips and Tricks!

Like the menu icons, the navigation tabs will also stay at the top of the page as long as you are on the GSHG website.

By **hovering** over the navigation bar you can get to our most important pages (and the information on those pages!) with just **one click!**

The Navigation Tabs have the same names on mobile, they just go from top to bottom - rather than left to right. Click the ► to expand the navigation tabs.

You'll know that you're on the **Girl Scouts of Historic Georgia** website because the GSHG servicemark will be in the **top left corner** of the webpage and the URL will read **www.gshg.org** at the beginning!

GSUSA provides the template for the councils' websites that each council get to customize quite a bit. Not everything can be changed, but we do our best to adjust what we can to give users the easiest experience.

We hope that this guide proves to be a handy resource to help members best utilize the tool that is our website!
