Girl Scouts of Historic Georgia builds girls of courage,
confidence, and character who make the world a better place.

Girl Scouts of Historic Georgia is hosting the next annual S'morevivor on September 13, 2025. S'morevivor will be held at Girl Scout Camp Tanglewood (1000 Shepherd Way Grovetown, GA) featuring our community favorite - the Team Challenge! This year's Team Challenge is \$125 per team and includes an exclusive S'morevivor buff for each participant!

S'morevivor is a community open house at our local Girl Scout camp consisting of a variety of activities for participants. sed through this annual event will support programming for girls in Georgia from Kindergarten to 12th grade and provide them with the Girl Scout Leadership Experience.

S'morevivor is open to everyone in the CSRA- businesses, families, military personnel, troops, and friend groups. The team challenge event provides an excellent opportunity for team building in a fun, challenging, and competitive way. These physical and mental challenges create strong teams, heighten creativity, and build partnerships.

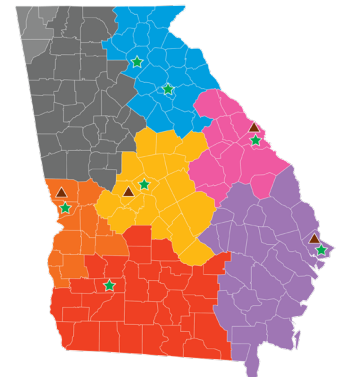

There are three divisions in the team challenge - corporate, community, and Girl Scout troop!

About Girl Scouts of Historic Georgia

Girl Scouts is the premiere leadership development organization for girls. For more than 100 years, Girl Scouts has been dedicated to building girls of courage, confidence, and character, who make the world a better place. Through research-based programs that are girl-led, experiential, and collaborative, girls discover their unique skills and gifts, connect with others and the world around them, and take action to make a difference in their communities.

Within the Girl Scouts of Historic Georgia council footprint we serve:

- More than 11,000 girls and 4,000 adults in 122 counties in Georgia, two counties in South Carolina, and one county in Alabama
- More than 48,000 square miles

Girl Scout programming emphasizes STEM, healthy relationships and living, outdoor experiences, financial literacy, and community service. As a result, girls who participate in Girl Scouting are more likely than non-Girl Scouts to:

- Set ambitious goals and think about the future
- Be more financially astute and self-reliant
- Advocate for themselves and others
- Practice empathy and emotional intelligence
- Care about and take action for social justice
- Be more solution oriented
- Embrace new experiences and overcome failures
