### The Event

Join us for a summer day of outdoor activities and experience all the fun of summer camp at our community-wide family fun event. Gather your team of four and participate in engaging outdoor competitions designed for all ages. From archery and axethrowing to fun and silly relays and a scavenger hunt, there's something for everyone to enjoy. Don't forget to refuel at our tempting array of food vendors offering delicious lunch options throughout the day. Whether you're here to compete, cheer on teams, or simply savor the food and atmosphere, this event promises a memorable experience for the entire family.

### The Cause

Funds raised through this annual event will support programming for girls in Georgia from kindergarten to 12th grade and provide them with the Girl Scout Leadership Experience. Girl Scouts provides a wide variety of opportunities for girls to prepare for a lifetime of leadership through badge work, career exploration, hands-on activities, community service, entrepreneurial endeavors, outdoor adventures, life skills training, and STEM programming.

### Who attends?

Summer Summit is open to everyone - businesses, families, military personnel, scout troops, and friend groups. The team challenge event provides an excellent opportunity for team building in a fun, challenging, and competitive way. These physical and mental challenges create strong teams, heighten creativity, and build partnerships.

There are three divisions in the team challenge - corporate, community, and Girl Scout troop - with prizes and trophies for top finishers. The first place corporate team receives not only bragging rights, but a large trophy engraved with the winning business name to display for a year!

# About Girl Scouts of Historic Georgia

Girl Scouts is the premiere leadership development organization for girls. For more than 100 years, Girl Scouts has been dedicated to building girls of courage, confidence, and character, who make the world a better place. Through research-based programs that are girl-led, experiential, and collaborative, girls discover their unique skills and gifts, connect with others and the world around them, and take action to make a difference in their communities.

Within the Girl Scouts of Historic Georgia council footprint we serve:

- More than 7,000 girls and 3,000 adults in 122 counties in Georgia, two counties in South Carolina and one county in Alabama
- More than 48,000 square miles

Girl Scout programming emphasizes STEM, healthy relationships and living, outdoor experiences, financial literacy, life skills, and community service. As a result, girls who participate in Girl Scouting are more likely than non-Girl Scouts to:

- Set ambitious goals and think about the future
- Be more financially astute and self-reliant
- Advocate for themselves and others
- Self-identify as a leader and take on leadership roles
- Practice empathy and emotional intelligence
- Care about and take action for social justice
- Be more solution oriented
- Embrace new experiences and overcome failure

Girl Scouts builds girls of courage, confidence, and character, who make the world a better place.

*Your investment in Girl Scouts empowers girls to change the world!*
